Nissan Forklift

Nissan takes immense pleasure in attaining complete customer satisfaction, when their customer is experiencing one of their various products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and meticulous quality values to their clients. Incorporating a fruitful heritage combined with solid processing principals, Nissan Forklifts supply some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide lift truck demands. Dedicated to offering customer support, the business has four distinct manufacturing facilities that permit them to continually adapt to their consumers continually evolving needs by offering a variety of progressive ideas and designs.

The Nissan Lift truck North and South American center is situated in Marengo, Illinois. A devoted team of 350 personnel is committed to the cooperation, design and manufacture of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to maintain environmental responsibility by using techniques that diminish the global impact of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their consumers demand whilst being an environmentally conscious organization.

Nissan is certain that they will be able to address any customer queries or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their locally endorsed dealers or even going to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and commitment.
