Tukwila Crane Training Schools

Tukwila Crane Training Schools - Our various programs for Mobile Crane Operation are intended for skilled operators who requires re-certification or certification, and for inexperienced people who are searching for their very first job as a crane operator. Business demand for certified crane operators is high all around the nation. Positions for crane operators are in demand due to their high pay. Crane operators are amongst the highest paid of whatever operator of heavy equipment.

Our Crane Training Schools include instruction and training for various mobile cranes. Course subject comprises Crane Set-up, Wire Rope, Load Dynamics, Lift Planning, Rigging, Signaling and Load Charts.

The Crane Training School program is best for supervisors, operators and riggers. Course materials consist of an informative and manual hand-outs. The illustrated safety guidebook consists of 100 to 250 pages, that depends on the course, of useful and essential material. Course materials include load charts and load chart exercises for the crane with which the individual training is working.

Hands-On Safety Training would take up more than half of the course curriculum. The practical training part is the most useful method to improving and developing personal skill levels. Only skilled journeyman crane instructors are selected to teach the courses. Our instructors have many years of industry experience.

Optional testing mechanisms are provided for all of our courses. Students will normally write tests both prior to and following training. A test for skills is usually administered for programs that include H.O.S.T. People training will be graded and tested.

Certification Training Programs: Fixed and Swing Cab Mobile Hydraulic Cranes; Lattice Boom/Crawler Cranes; Articulated Boom/ Knuckleboom Cranes; Rigging / Signalperson Training and Certification; In-The Seat Training and Testing & Certification.
