Tukwila Aerial Lift Train the Trainer

Tukwila Aerial Lift Train the Trainer - The Aerial Lifts Train the Trainer Certification Program would teach trainers how to effectively train operators in safe industrial mobile machinery operation. Trainers are provided with in-depth instruction on aerial lift equipment. The program is offered on an open enrollment basis and delivered at selected training places. Prior to certification, trainers are evaluated and graded based on their knowledge and demonstrated skills.

The Aerial Lifts Train the Trainer Certification Program focuses on practical learning and as the best training provider in the industry, we provide top notch hands-on training. We offer plenty of opportunities to practice the techniques and concepts that are learned inside the classroom. In addition to hands-on experience, trainers develop general understanding of machine theory and instructional methods, classroom and field communication skills, and ability to efficiently train and evaluate operators. Trainers will gain an understanding of what traits make an effective trainer.

The Aerial Lifts Train the Trainer Program likewise teaches the correct techniques needed in order to express the correct information inside the classroom and field environment. There are three factors of equipment operation that the trainer should learn how to convey to operators: what to do; how to do it; and why it must be done.

In the program, trainers will be given the detailed, latest reference material to better help them convey the information to machine operators. The manuals used, include detailed information about all aspects of industrial mobile equipment operator training. Included within the package are training aids which provide a visual reference in order to improve the learning experience. The equipment-specific training products contain necessary materials meant for both the operator and the trainer: videos/DVD's, overhead transparencies, equipment models, safety message posters; digital training aids and stability pyramid.
